KANSAS CITY
CONVENTION CENTER

Encompassing more than 800,000 square feet, the Kansas City Convention & Entertainment Facilities can serve all your meeting needs under one roof. The eight-square-block convention and special event facility can accommodate 388,800 square feet of column-free exhibit space on one floor; 48 state-of-the-art meeting rooms; a 2,400-seat fine arts theater; an arena that seats more than 10,700 people and a unique outdoor festival plaza.

And not only is it all in one location, the complex is connected to major downtown hotels and parking by skywalks and underground walkways. One of America's largest green ballrooms—the 46,484-square-foot Grand Ballroom—is certified LEED silver, boasting waterless plumbing, energy-efficient heating & cooling and one of the most sophisticated lighting systems in the world. That's enough to make other cities turn green with envy.
