KANSAS CITY TRADITIONS

Authentic, All-American and Uniquely KC

SWINGING JAZZ

From the Roaring '20s to the early '40s, jazz reigned in Kansas City. The city's 12th Street became world-renowned for its jazz clubs, gambling parlors and brothels—earning Kansas City the moniker the "Paris of the Plains."

Today, live jazz can still be heard regularly at 40 clubs throughout the city.

WORLD-FAMOUS BARBECUE

When most people think of Kansas City, barbecue comes to mind. And there's good reason: the city's signature food is served up at more than 100 barbecue establishments, each boasting a house specialty.

Every fall, Kansas City hosts 600 teams at the world's largest barbecue competition, The American Royal World Series of Barbecue.

CITY OF FOUNTAINS

Kansas City is home to more than 200 fountains—more than any other city in the world except Rome. From large and majestic to small and whimsical, discover waterworks dedicated to fallen firefighters, the city's children, women's leadership and more.

KC's most photographed fountain is the ornate Mill Creek Fountain, located near the Spanish-inspired Country Club Plaza.

DID YOU KNOW?

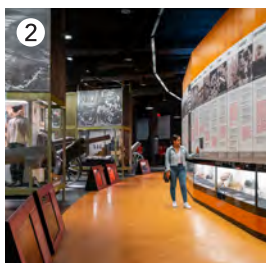

29.3 million visitors traveled to the Kansas City region in 2024, generating \$4 billion in visitor spending and supporting an industry that employs more than 120,000 people.

WHAT'S TRENDING IN KC

1 WELCOMING THE WORLD ①

Kansas City's love for the beautiful game runs deep, and that's evident when you join the crowd at a Sporting KC or KC Current match. But Kansas City's soccer fandom is going to a whole new level in 2026 when it's an official host city for the FIFA World Cup 26™. With six matches played in KC, the region is ready to welcome approximately 650,000 visitors during the world's largest sports tournament.

2 CENTENNIAL CELEBRATION ②

As the U.S. celebrates its 250th anniversary, Kansas City's National WWI Museum and Memorial is celebrating its centennial in 2026. The museum holds the most comprehensive collection of WWI objects in the world. Over the past 3 years, the museum has completely renovated all of its galleries and exhibits, making them more interactive for future generations.

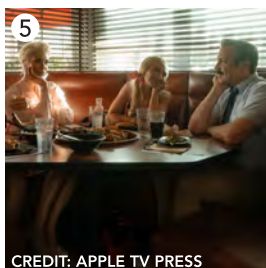

3 ROLLING THROUGH KC ③

Since its launch in 2016, more than 17 million riders have traveled on the KC Streetcar, a free mode of public transit connecting Downtown KC with other popular neighborhoods. In 2025, the KC Streetcar unveiled a 3.5-mile extension to the Country Club Plaza, and in 2026, another 0.7-mile extension to Berkley Riverfront will welcome riders. In all, the KC Streetcar route will be over 6 miles long and always free to ride.

4 HOTEL RENAISSANCE ④

New hotels continue to dot the landscape in Kansas City. Since 2023, nine hotels have opened in the area, with 10 more set to open throughout 2026. That includes a new-to-the-market Aiden by Best Western in Downtown Kansas City, a Hilton Garden Inn near the KC Current's training facility in Riverside, and boutique property River Market Hotel, the neighborhood's first hotel, among others.

5 SEE KC ON THE BIG SCREEN ⑤

In the Emmy Award-winning series, Ted Lasso leaves his family in Kansas City behind for a coaching gig on the outskirts of London. The backstory is directly inspired by star Jason Sudeikis's real roots as a Kansas City-area native. But now Ted Lasso is returning home, with parts of Season 4 filmed in KC. The cast and crew shot scenes at famous spots like the Country Club Plaza, CPKC Stadium and Gates Bar-B-Q.

Restaurants, Attractions Opening in 2026

MORTON AMPHITHEATER

Just north of KC in the suburb of Riverside, the new Morton Amphitheater will host some of the top artists from across the U.S. like Chris Stapleton, Pitbull, Guns N' Roses and Meghan Trainor. The outdoor music venue from Live Nation plans to open in the summer and welcome over 500,000 fans in 2026.

CURRENT LANDING

The KC Current are transforming land around CPKC Stadium, bringing residential, retail and more to the riverfront. The first phase of Current Landing, which includes two new apartment buildings, multiple local and national restaurants, and a 2-acre town square for events, is expected to open by summer.

DEAR DONNA

Two James Beard-nominated chefs are starting their own restaurant in KC's cozy Columbus Park neighborhood. Husband-and-wife duo Helen Jo and Johnny Leach, who also operate The Town Company inside Hotel Kansas City, plan to open Dear Donna in early 2026. The casual corner cafe will feature an elevated lunch menu, plus pastries and eventually grab-and-go service.

ROCK ISLAND BRIDGE

Opening in April, the historic Rock Island Bridge is now the country's first entertainment district over a river. The 120-year-old railroad bridge has been transformed into a one-of-a-kind outdoor destination where visitors can have a great meal, take in the Kansas River views, listen to live music, or even host an event.

18TH AND VINE PEDESTRIAN PLAZA

Kansas City's 18th and Vine District has another reason to gather in this historic neighborhood. A new pedestrian-only area limits vehicle traffic to create a more walkable, public space for everyone. The redesigned streetscape connects residents and visitors to some of the city's most important sites for Black history.
